

GlobaLex update

NPO

The Global Alliance for Lexicography ([GlobaLex](#)) was registered as a non-profit organization, no. 8040330, in Leiden, the Netherlands in August 2020, including the following board members:

Ilan Kernerman, Asian Association for Lexicography ([ASIALEX](#)).
MC Chair

Julia Miller, Australian Association for Lexicography
([AUSTRALEX](#)). MC Vice-chair

Edward Finegan, Dictionary Society of North America ([DSNA](#)).

Dion Nkomo, African Association for Lexicography ([AFRILEX](#)).

Lars Trap-Jensen, European Association for Lexicography
([EURALEX](#)).

MC

GlobaLex is coordinated by a Management Committee (MC) consisting of representatives of the five existing continental associations for lexicography mentioned above, as well as an observer from the European Lexicographic Infrastructure ([ELEXIS](#)) H2020 project, **Simon Krek**, which hosts and maintains the GlobaLex website. The MC holds monthly virtual meetings, and its quarterly reports are available [online](#).

The DSNA representative on the MC was replaced for the 2020-2021 term by **Sarah Ogilvie**.

In July 2021 new representatives of Australex and DSNA, **Amanda Laugesen** and **Orin Hargraves** respectively, joined the MC along with an observer from the founding committee of the Association of Lexicography for the Americas – South, Center, Caribbean and Mexico ([AmericaLex SCCM](#), **Regiani A.S. Zacarias**).

The MC appointed Lars Trap-Jensen as Chair and Dion Nkomo as Vice-chair for the July 2021 – June 2022 term.

The first major task on the agenda of the current MC is to renew the GlobaLex website.

Events

Three Globalex-sponsored [workshops](#) planned for 2020 had to be cancelled as a result of the COVID-19 pandemic: Globalex Workshop on Linked Lexicography at [LREC](#), Globalex Seminar on Learner's

globaLex

Dictionaries at [Afrilex](#), and Globalex Workshop on Lexicography and Neology at Euralex ([GWLN-2](#)).

GWLN-2 was eventually held in partial form [online](#) in November, including over 80 participants, and selected papers are being published as a special issue of *International Journal of Lexicography* ([Vol. 41, Issue 3](#)) in September 2021.

The third Globalex Workshop on Lexicography and Neology, focusing on Corona-related neologisms will be held online on August 31, 2021 in conjunction with the Australex conference ([GWLN-3](#)).

Plans for 2022 include new versions of the 2020 workshops at LREC and Afrilex, and the fourth GWLN at [Euralex \(in Mannheim\)](#).

In 2023 it is planned to hold GWLN-5 in conjunction with the Asialex conference [in Seoul](#).
